Exit music	02:35
Complete act -2 w/overtures, exit music etc	79:30

Entire running time (with out 15 min intermission) **164:10**

Note: Cinerama Inc. cannot authorize the use of How The West Was Won; it would have to come from a local distributor such as Hollywood Classics so there would be some kind of a film rental charge for this. Don't think they have made a DCP in Smilebox so it would be best to show the blu ray release. We can certainly do introductions had have some special shorts that can be used with this title. (see Below)

HOLIDAY IN SPAIN -1961

ACT-1

Overture	03:17
Prolog none	00:00
Cinerama 70mm	59:16
