## David Niven Nabs Lead In Mike Todd's 'World'

David Niven has been signed by Michael Todd for the male romantic lead in his forthcoming Todd-AO production of "Around the World in 80 Days," Todd revealed yesterday upon his arrival from NY. Previously signed for film was Cantinflas, with John Farrow slated to direct.

Although film will be made in both this country and abroad, Todd expects to set up central Hollywood production headquarters while here on this trip.
