Woodbridge Arriving

Henry S. Woodbridge, president of Todd-AO, arrives here today from New York for a brief inspection of the company's new facilities at Kling Studios. While here he will also coordinate future activities of Todd-AO with S. A. Sanford, local representative of the company.

Technicolor is readying an announcement about a revolutionary new all-purpose negative that projects anything from 16mm to Todd-AO, CinemaScope, VistaVision, etc.

January 26, 1956

... Mike Todd optioned J. M. Barrie's "The Admirable Crichton," which was "Male and Female" when C. B. DeMille made it as a silent. Bob Newton and Cantinflas, both very big in "Around the World in 80 Days," will be in it.
